Carolyn Shellman is a highly-skilled attorney, an excellent communicator, and an effective leader. She has broad experience developing regulatory and legislative policy strategies for renewable and disruptive technologies in the energy industry. Carolyn has considerable experience with governance and compliance and possesses deep subject matter expertise in the electric utility industry and in navigating energy market issues.

While serving as Chief Legal Officer & General Counsel; Secretary to the Board of Trustees for CPS Energy, the nation's largest municipally-owned, fully-integrated electric and gas utility, Carolyn most recently led the Legal Department, Claims Department, Internal Audit Department; Government Relations, Regulatory Affairs & Public Policy Department; and Records Management Department. Her 15-year career at CPS Energy also included the titles of Board Secretary, Chief Administrative Officer, and Chief Compliance Officer where Carolyn managed multiple business areas including Legal, People & Culture, Facilities, Joint Base San Antonio, Corporate Communications, IT Enterprise Security, Compliance & Ethics, and Rates and Regulatory.

Professional Experience

- Managed Legal Department and External Affairs/Communications Group and served as member of the Senior Executive Team as Vice President & General Counsel for ERCOT, the independent system operator that manages the electric grid in Texas
- Advised ERCOT Management and Board on internal business matters including market credit, market protocols, and market settlement
- Served as Board Secretary of ERCOT, assisting the CEO and the Board with Board and Committee business issues and meetings
- Represented Texas' largest investor-owned utility in a variety of state regulatory proceedings involving development of market and regulatory rules for the competitive retail electric market

Practice Areas

- Business Strategy & Transactions
- Electric Industry Regulation
- Legislative Advocacy
- Regulatory Compliance
- Regulatory Litigation
- Telecommunications
